I'll help you open Firefox, navigate to the RPA Stock Market challenge, select the Exenon UI Pharma stock, and monitor when the price drops below 70. Let me break this down into steps.

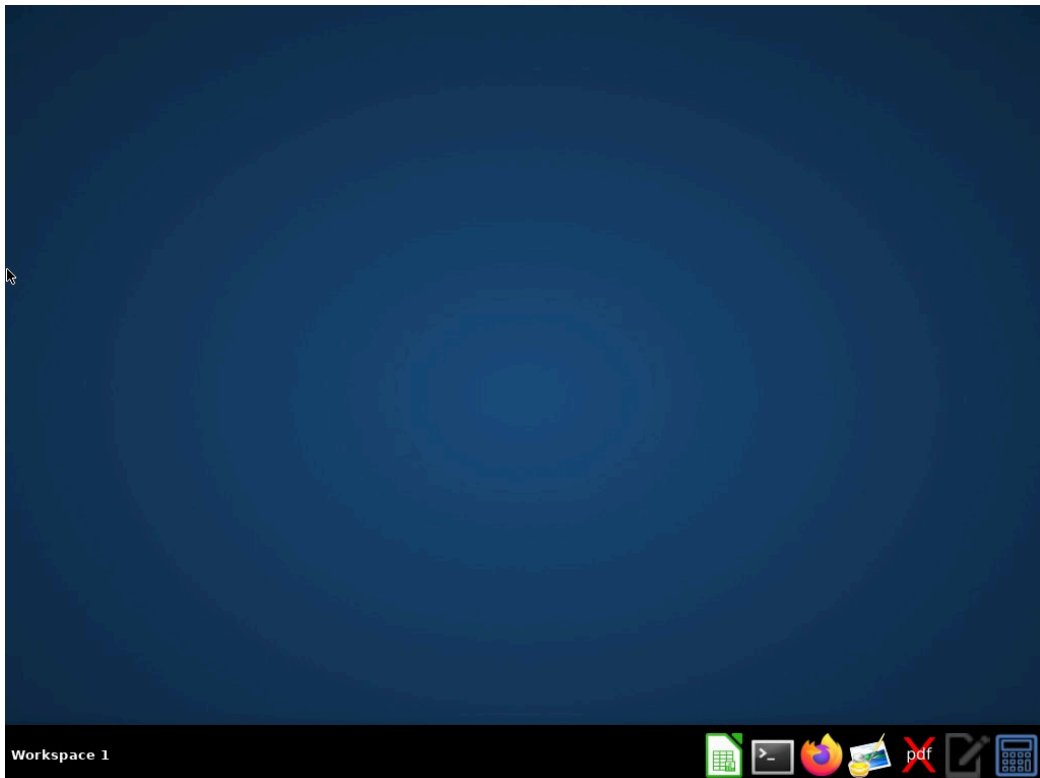

First, let me take a screenshot to see the current desktop:

Tool Use: computer

Input: {'action': 'screenshot'}

T

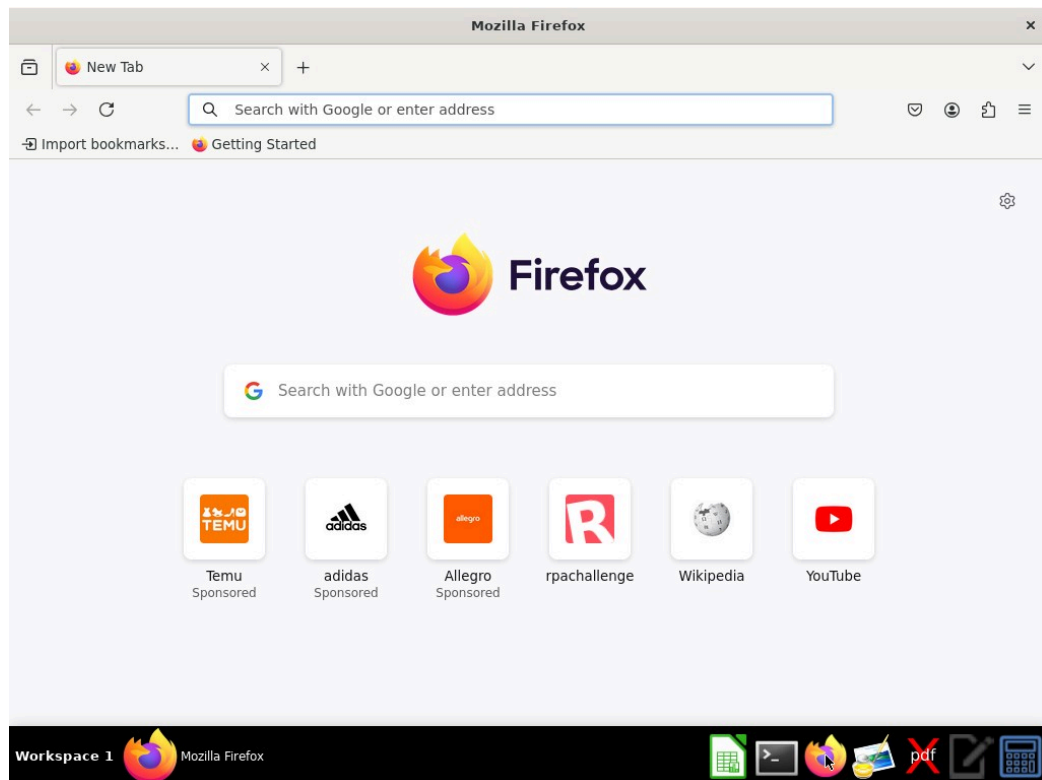

I can see the desktop with the taskbar at the bottom. I can see the Firefox icon in the taskbar. Let me click on it to open Firefox:

Tool Use: computer

Input: {'action': 'left_click', 'coordinate': [804, 737]}

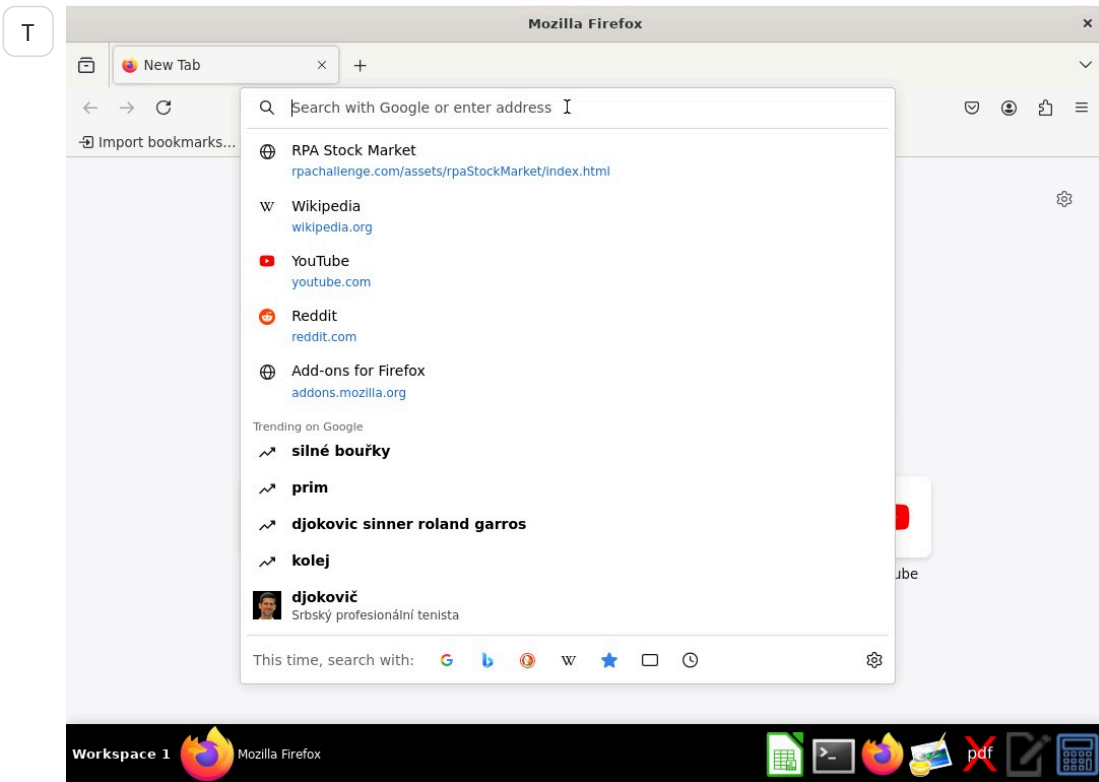

Great! Firefox has opened and I can see the homepage. I need to navigate to the specified URL. I'll click on the address bar and enter the URL:

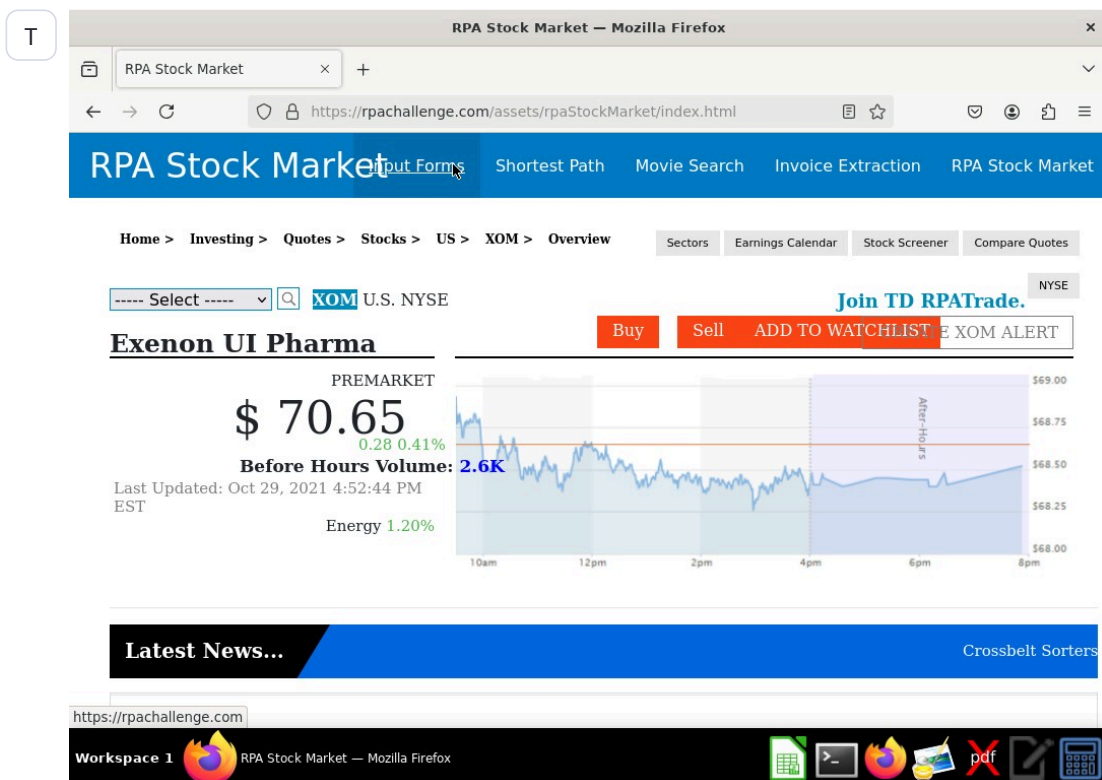

Tool Use: computer

Input: {'action': 'left_click', 'coordinate': [493, 100]}

Perfect! I can see the address bar is active and there's a dropdown showing search suggestions. I can see "RPA Stock Market" is already suggested which shows the URL we need. I'll click on that suggestion or type the full URL:

Tool Use: computer
Input: `{ 'action': 'left_click', 'coordinate': [378, 153] }`

Excellent! The RPA Stock Market website has loaded successfully. I can see:

1. ☒ Firefox is open
2. ☒ We're on the correct URL (<https://rpachallenge.com/assets/rpaStockMarket/index.html>)
3. ☒ I can see there's a "Select" dropdown in the top left
4. ☒ The page is already showing Exenon UI Pharma stock with a current price of \$70.65

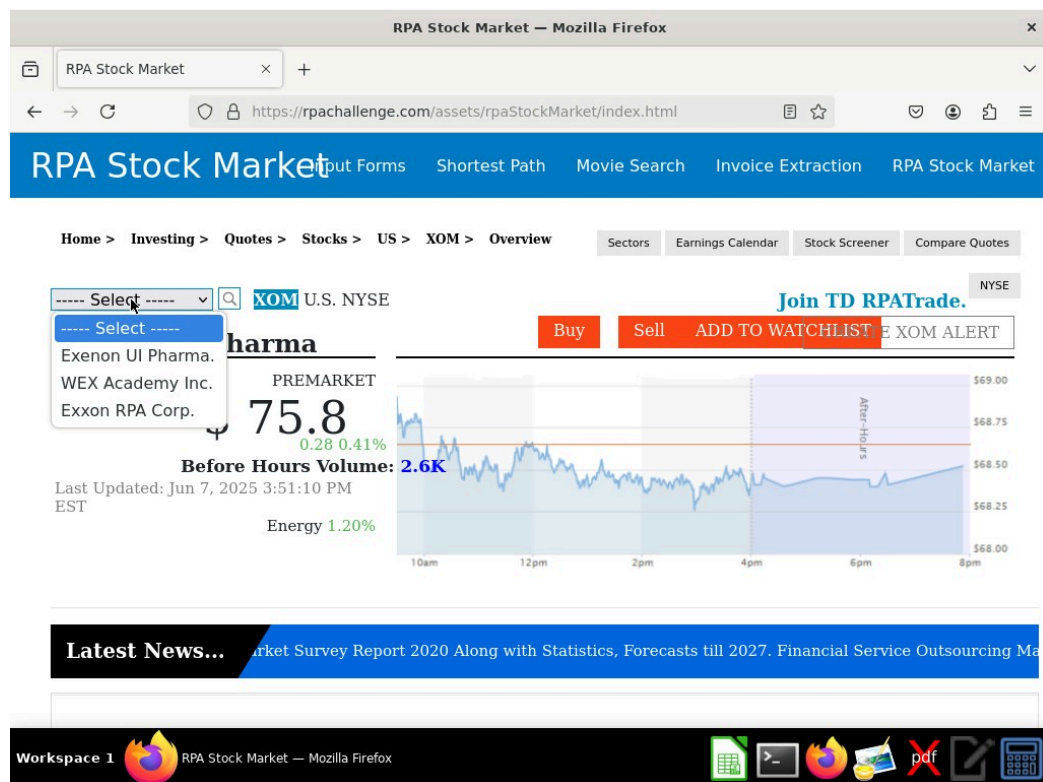

I can see that Exenon UI Pharma is already selected and displayed, with the current price showing 70.65. Since you want me to monitor when the price drops below 70, I can see that it's currently at 70.65, so I need to wait and monitor for when it drops below 70.

Let me first click on the "Select" dropdown to confirm the selection options and ensure Exenon UI Pharma is properly selected:

Tool Use: computer

Input: {'action': 'left_click', 'coordinate': [119, 286]}

Perfect! I can see the dropdown menu is open and shows three options:

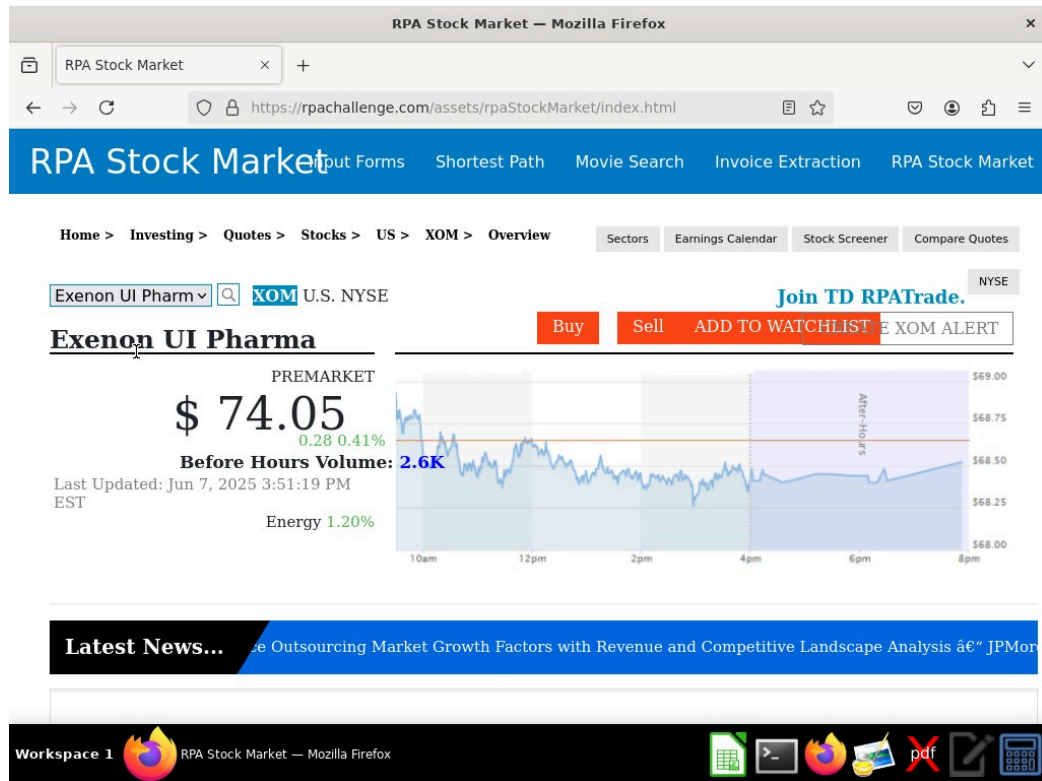

- ----- Select -----
- Exenon UI Pharma
- WEX Academy Inc.
- Exxon RPA Corp.

I can see that "Exenon UI Pharma" is one of the options. Let me click on it to select it:

Tool Use: computer

Input: {'action': 'left_click', 'coordinate': [125, 341]}

Excellent! I have successfully completed steps 1-4:

1. ☒ Opened Firefox
2. ☒ Navigated to <https://rpachallenge.com/assets/rpaStockMarket/index.html>
3. ☒ Clicked the Select dropdown
4. ☒ Selected Exenon UI Pharma

Now I can see that Exenon UI Pharma is selected and the current stock price is **\$74.05**. Since the current price is above 70, I need to monitor it continuously until it drops below 70.

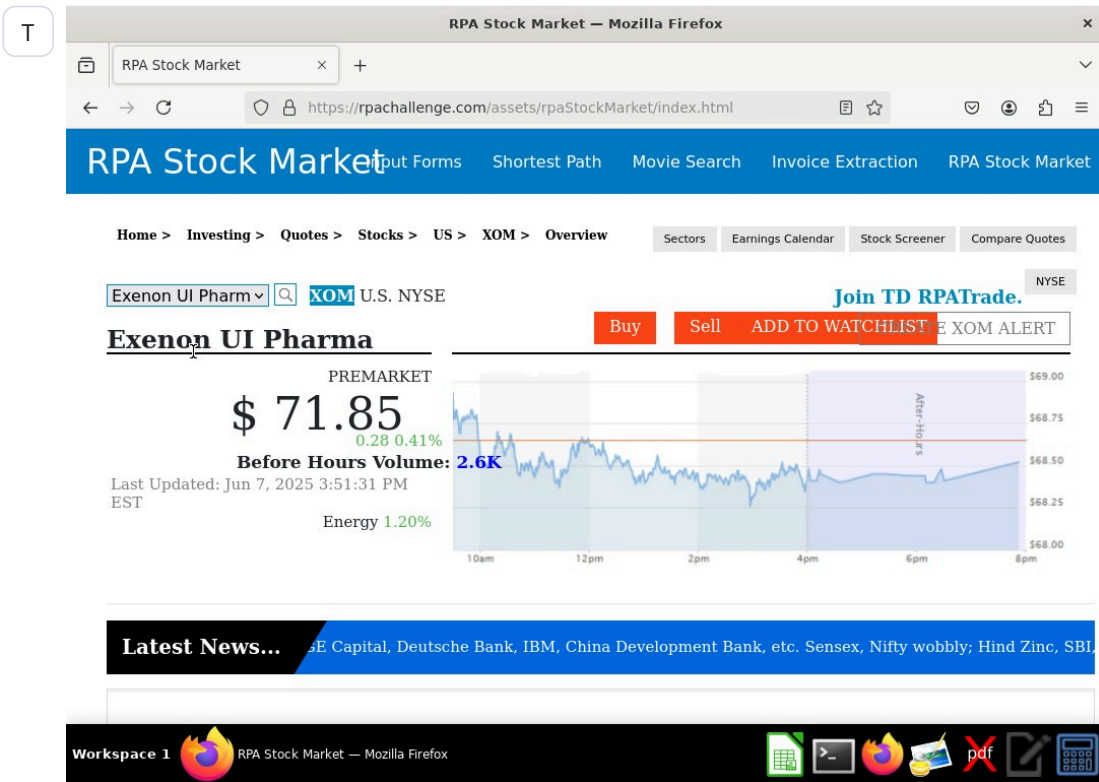

I can see the stock price is currently at \$74.05, which is above the 70 threshold. The page appears to be updating in real-time (I can see timestamps showing updates). I'll now monitor the price by taking regular screenshots to check when it drops below 70.

Let me start monitoring by taking screenshots every few seconds to watch for the price drop:

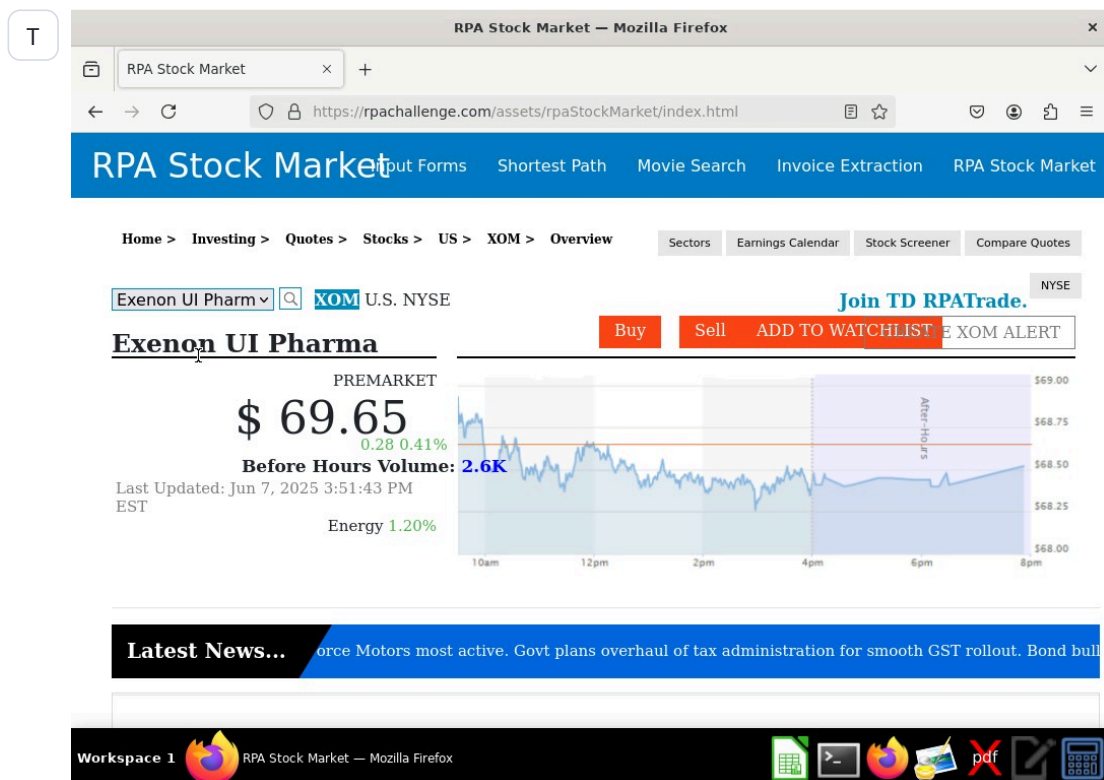

Tool Use: computer

Input: {'action': 'wait', 'duration': 5}

I can see the price has changed! The Exenon UI Pharma stock price is now **71.85 *
*(down from 74.05). It's still above 70, so I need to continue monitoring. Let me wait a bit more
and check again:

Tool Use: computer
Input: {'action': 'wait', 'duration': 5}

🚨 ALERT! THE PRICE HAS DROPPED BELOW 70!

The Exenon UI Pharma stock price is now **\$69.65**! This is below the 70 threshold you specified.
